INTRODUCTION

A highly motivated and detail-oriented Front-End Developer with strong skills in React, JavaScript, HTML, and CSS, seeking to leverage technical expertise and creativity in building responsive and user-friendly web applications at MyDay ThuKywal Co., Ltd. Skilled in front-end development and problem-solving, I am committed to delivering high-quality digital experiences and contributing to an innovative team environment. Known for my integrity, adaptability, and dedication to continuous learning, I am eager to apply and further develop my skills to support the growth and success of MyDay ThuKywal Co., Ltd.

EXPERIENCE

FRONT-END DEVELOPER (JUNIOR)

DEC 2024 - CURRENT

MYDAY THUKYWAL CO.LTD

Software Company

◆ Contributed to the mobile version of the WeDay Social Commerce platform. Created UI mappings in FigJam, developed the overall web design system, and built the Admin Panel from scratch using a step-by-step design system approach with Figma variables, Airtable (for token naming conventions), and Token Studio. Ensured a smooth developer handoff through the use of design tokens.
